Headteacher: Mr Peter Lambert

September 2026

Dear Parents and Carers,

Thank you for considering Chinley School for your child's Primary School education. I hope that this pack will provide you with a flavour of what we have to offer as a school, as well as give you some background as to our beliefs around learning.

We are very proud of the achievements of the children who attend our school be that academically, musically, sporting or simply in the way in which they represent our school community. We believe that every Chinley School learner should be given the best opportunity possible to reach their potential and follow their interests and dreams, whatever they may be.

We are determined to ensure that every child achieves their full potential academically and this can only be achieved through high quality teaching, fantastic support from parents and carers and the determination of the children themselves.

Our strength lies in the care which we try to give to every child and with the way in which the children care for and support one another. We enjoy calm classrooms and corridors where purposeful learning can take place, supplemented by exciting outdoor learning experiences in our lovely grounds, regular enrichment days, sports, music and drama activities as well as visits and visitors to supplement the children's learning.

I hope that you enjoy reading about our lovely school; I would encourage any potential parent to visit us during the school day to get a feel for what we can offer your child. If you would like to do so please make an appointment with the school office and I will arrange to meet with you.

Yours sincerely

Peter Lambert
Headteacher
