

CHINLEY PRIMARY SCHOOL

DINNER MONEY POLICY

Background

The Chinley Primary School Dinner Policy has been adopted to ensure that a consistent and fair approach to debt incurred by parents/carers whose children take school dinners. As the Local Education Authority is no longer accountable for the administration of dinner money debt the responsibility now falls on the school to pursue instances of non-payment. As a result, the school budget will have to directly fund any outstanding debts that cannot be recovered thereby directly affecting the amount of money that is available to provide education to all pupils.

Provision of School Meals

The Schools Meals Service is no different to any other business in that meals have to be paid for by someone. Free School Meals are available for parents who meet certain criteria including the receipt of state benefits. Anyone who may qualify for Free School Meals should contact the school office for further information. Free School Meals are a statutory right and it is important that all parents/carers who qualify take up their child's entitlement so that they can receive a school meal each day.

Information on the entitlement to free school meals and an application form can be found on the Derbyshire County Council's website:

http://www.derbyshire.gov.uk/education/schools/your_child_at_school/meals/school_meals/default.asp?VD=reeschoolmeals

If a child's entitlement to free school meals expires or the parents/ carers personal circumstances change the parent/carer must provide a packed lunch or send payment in advance for a school dinner.

Cost of School Meals

School meals are chargeable (or at no cost to those in receipt of Free School Meals entitlement). School meals **must** be paid for in advance. Any revision to the school meal prices will be notified to parents/carers the term prior to the new charge taking effect.

Payment for School Meals

Payment for school meals should be completed through the on-line *Parent Pay* system which is set up for all pupils in school. Any queries should be raised with the school office staff.

Management of School Meal Debts

To ensure that the school's budget is not adversely affected by the cost of school meal debt the Governors consider the fairest system to all families is to pursue a 'Zero Tolerance' approach. Although, this may seem harsh to some parents it is important that the school budget is spent for the benefit of all our pupils and not a small number.

If a child arrives at school without a packed lunch or payment has not been made, or if a child's entitlement to free school dinners has ceased, the school will telephone/text the parent/carer in the first instance to establish if alternative arrangements have been made.

When payment has not been made the school may allow a meal to be provided where it is felt that this is a temporary situation. e.g. temporary hardship etc. however details should be recorded in writing and a record maintained and monitored.

CHINLEY PRIMARY SCHOOL

DINNER MONEY POLICY

If a child takes a school meal which has not been paid for, a letter/text detailing how much is owed will be sent to the parent/carer requesting payment directly to the school within 7 days. The same process will be used if a cheque is not honoured by the bank. Prompt action will be taken to address any debt issue at an early stage in order to prevent arrears amassing.

Where a child continues to require meals, the school must establish if the child is entitled to free school meals, or if the parent/carer is experiencing hardship which affects their ability to pay. Under these circumstances the parent/carer should be invited to apply for free school meals or speak confidentially to the Head Teacher.

When the debt exceeds 2 weeks dinner money for a child a reminder letter will be sent to the parent/carer informing them. (*Example letter 1*). If the child/children is/are not provided with the requested packed lunch and the parent/carer cannot be contacted, the school will provide a meal and record that against the existing debt.

If the debt exceeds £32.50 (10 days of meals) for a child and/or action proves unsuccessful in securing dinner money arrears, the school should formally write to the parent/carer, explaining that the school is not obliged to provide a school dinner where advance payment is not forthcoming or where authorisation for free school dinners has not been received (*Example letter 2*).

Monitoring and Recovery of School Meal Debts

The aim of the school's dinner money policy is to minimise the opportunity for debt balances to build up and incurring costly recovery costs. The school does however, reserve the right to begin legal proceedings to recover outstanding school meal debts and inform the local authority that a child is not being provided with a suitable meal at lunch time.

All write-offs of outstanding debt must be approved by the Governing Body/Finance Committee following submission of details of the debt by the Head Teacher together with reasons for no further action being taken.

School Meals provided to (Pupil Name)

According to the School's financial records you have not paid dinner money for your child (pupil name) in Class: xx. As at xx/xx/xx your account is showing a debt of £xx.

In order that the school's budget is not used to clear your child's debt please make arrangements for the outstanding dinner money debt to be paid immediately. Once you have cleared the current debt I should be grateful if you could ensure that you keep your account in credit. The current cost of a school meal is £xxx per day or £xxxx per week.

If you think you may qualify for Free School Meals, please contact the school office for further information.

Remember that Free School Meals are a statutory right and it is important that you use it if you qualify, your child will then receive a School meal each day. Dear xxx

School Meals provided to (Pupil Name)

I am writing regarding the current level of outstanding school meal debt that is showing on your account. Despite previous correspondences and messages the debt for your child xx in Class xx is still outstanding. The School's records show that as at xx/xx/xx your account is £x in debt. The current cost of a school meal is £xxxx per day or £xxxx per week.

I would ask that you please make arrangements to clear this debt immediately and take steps to ensure your account is kept in credit in the future.

If you think you may qualify for Free School Meals, please contact the school office for further information.

Remember that Free School Meals are a statutory right and it is important that you use it if you qualify, your child will then receive a School meal each day. Since the School has to fund all school meal debts from its budget it is essential that all payments are up to date so that the quality of the service provided to all pupils is maintained. Unfortunately, if the debt is not cleared by xxxxx a school meal will no longer be provided to your child and you must make your own arrangements for your child's lunch. The School reserves the right to begin legal proceedings to recover the outstanding debt and to inform the local authority that your child is not being provided with a suitable meal at lunch time.

If you have any queries regarding these arrears, please contact the school office immediately so that this matter can be resolved.

Yours sincerely
