

Communication & Language

Listening to and enjoying longer stories.
Talking about our favourite Minibeast related stories, remembering much of the story.
Using talk to organise our play.
Using talk to express a point of view and to debate.

We will continue to spend a Tuesday and Thursday learning session outdoors in the garden- Please send your child with waterproofs, if they have them.

Expressive Arts & Design

Creating drawings and 3D models of minibeasts using a range of materials.
Clay sculptures of minibeasts.
Creating butterflies and symmetrical patterns.
Developing small world scenes and stories.

Physical Development

Taking part in team games and activities.
Developing ball skills and introducing Sports Day.
Becoming more confident in self-care needs, such as toileting, getting our coats on & off.
Gaining good control when holding pens and pencils.
Taking part in baking activities.

Understanding the World

Understanding the life cycle of a butterfly.
Caring for all living things.
Minibeast hunts and bug hotels.

Literacy

Developing our phonic knowledge through oral blending and segmenting
Learning to write some or all of my name.
Recognising words with the same initial sound, such as money and mother.

Personal, Social & Emotional Development

Remembering our Nursery rules and routines.
Playing co-operatively with our friends.
Continuing to talk about our emotions and how we are feeling.
Developing appropriate ways of being assertive.

Mathematics

Understanding position words for example, under, in front of, behind.
Describing familiar routes.
Selecting shapes to build and create new ones.
Exploring symmetrical patterns.
