Numeracy

We will compare & order numbers up to 1000. We will read and write all numbers to 1000 in digits and words. We will find 10 or 100 more/less than a given number. We will secure our place value knowledge of any 3-digit number. We will add and subtract 3-digit numbers and ones or tens numbers mentally and using jottings. We will develop formal written strategies for addition and subtraction of 3-digit numbers.

Science Rocks

We will compare and group together different kinds of rocks on the basis of their appearance and simple physical properties. We will describe in simple terms how fossils are formed when things that have lived are trapped within rock. We will recognise that soils are made from rocks and organic matter.

Computing Internet safety

Creating strong, secure passwords.
Why we need to keep passwords safe.
Use a search engine effectively to find information.
An introduction to coding and debugging.

Trips & Experiences

White Hall -Team
Building
